Professional education supported by practical safety experience and an international partner network.

About AHIA

Amsterdam HSE International Academy (AHIA), based in the Netherlands, Europe, provides internationally focused professional education in health, safety, sustainability and leadership.

Our training portfolio covers Occupational Health & Safety (OHS), Environmental Sustainability, ESG, ISO Management Systems, Quality, Food Safety, Fire Safety, Oil & Gas Safety and Corporate Leadership.

AHIA works with the International Board of Safety Professionals (IBSP), USA, and is a Strategic Academic Partner of Bramosh Global Institute. This partnership connects learners with a wider network of awarding organisations, expert trainers and learning platforms.

OUR MISSION

To connect education with professional practice and support lifelong careers through relevant knowledge, recognised credentials and continued development.

Our focus areas

- Occupational Health & Safety
- Environmental Sustainability & ESG
- ISO Management Systems & Quality
- Oil & Gas, Fire Safety & Food Safety
- Business Leadership, MBA & Doctoral Programmes

Leadership Grounded in Practice

Mr. Johannes Schellevis

CEO | Amsterdam HSE International

Senior Safety Professional

Mr. Johannes Schellevis combines the leadership of AHIA with hands-on work as a senior safety professional in operational environments.

His practical safety knowledge brings workplace context to professional learning and strengthens the connection between education, responsible leadership and day-to-day safety practice.

OTHM Level 6 | Completion achievement

Fatih Yasar

OTHM Level 6 | Learner spotlight

//

We are excited to welcome Mr. Fatih Yasar, a dedicated HSE Officer from the Netherlands, to the BRAMOSH GLOBAL learning community.

With 5 years of hands-on experience in occupational health and safety, Mr. Yasar has demonstrated a strong commitment to professional growth and compliance excellence in the workplace. He has chosen BRAMOSH GLOBAL to pursue his OTHM UK Level 6 Diploma in Occupational Health and Safety – a qualification designed for professionals aiming to lead safety standards with confidence and global recognition.

Driven by a desire to enhance his knowledge, skills, and credentials, Mr. Yasar selected BRAMOSH for its structured, learner-focused approach, accredited curriculum, and trusted reputation in global HSE training.
